Subject: trials on 4-20-2010

I just wanted to confirm that I am on call for both of your cases scheduled for April 20th. If you definitely need me there (i.e. not on call), please call me at the lab at 413-545-2607 early Tuesday morning and I will be there. Sorry for such last minute notice, but I was out on Friday and forgot that Monday was Patriot's Day. Thanks.

Sonja
